**3. MEETING AGENDA**

**3a. Civic Center Architect Interviews**

The CCAC interviewed WRNS Studio and Swatt Miers.

Following the interviews, the CCAC discussed the firms and identified strengths and weaknesses. Chief Flint and Gordon reported on reference checks.

The CCAC recommended WRNS, but expressed concern about their police consultant. The committee agreed that this sub-consultant is critically important, and recommended that any substitute for RDC be interviewed by the CCAC. If the substitute is not accepted by the CCAC, then Swatt Miers is an acceptable second choice. The committee also recommended that WRNS select their choice of landscape architect and include that firm on their team.

The CCAC approved the selection of an ad-hoc committee of Dostart, Hau and Merredew to review the staff report to City Council.
