

Shred Fest

February 22, 9:30-12:30

at Holbrook-Palmer Park

presented by the Atherton Library

Decluttering? We can help! Securely dispose of your unwanted paperwork with the San Mateo County Libraries. Shred Fests are happening throughout the county. Viking Shred will shred your documents using one of their secure shredding trucks. The paper — finely shredded to Department of Defense standards onsite — is baled at their secure facility and sent directly to a paper mill.

- Limit 5 banker boxes per person.
- Staples and paperclips are okay.
- No plastics, batteries, or e-waste.
