

The San Mateo Countywide Water Pollution Prevention Program will be at the Home Show, March 26-28th.

The Home Show is an event designed for homeowners in all stages of remodeling, landscaping and decorating their homes. Each event includes hundreds of exhibits with merchandise, sample interior and exterior vignettes, and product demonstrations. With a combination of new products and expert advice from the pros, the Home Show inspires homeowners with countless ideas on enhancing their home's comfort and functionality, as well as its aesthetic appeal and overall value.

Come visit us at our booth to learn about how you can adopt environmentally beneficial practices that improves local water quality. San Mateo County residents have the chance to win a rainbarrel by completing a short survey at our booth!
