

Sandbags Available for the Rainy Season

In order to assist Town of Atherton residents with preparing for the rainy season, the Town has a stockpile of sand and sandbags available, located at the south end of the Atherton train station parking lot adjacent to the Public Works Corporation Yard at 99 Dinkelspiel Station Lane (adjacent to the Town Permit Center).

Sandbags are free to Atherton residents, but residents must bag their own sand. There is a 15 bag limit if you are preparing for a possible flooding issue. In an emergency, there is no limit imposed on the number of bags you may obtain from the Town.

For more information regarding sandbags, you may contact Public Works at 752-0570.

(This is what the sandbag area outside the corporation yard looks like. Feel free to drive your own vehicle to the corporation yard to obtain the bags and sand.)
