SERGEANT JOE WADE

I attended Cal Poly San Luis Obispo for my Bachelor's degree and completed my Masters work at St. Mary's. I was a member for the South County SWAT team for eight years and my goal is to provide our community with the absolute best customer service. I created our Wellness Program here at the PD, where I encourage our officers to eat right, stay in shape and try to do at least 30 minutes of cardio each day. I am also a Defensive Tactics Instructor where I teach arrest and control techniques in order to keep our organization safe. In my spare time, I enjoy telling jokes, spending time with my family, eating and fishing.
