### **SERGEANT ANTHONY KOCKLER**

I have always enjoyed working with people and solving problems. With this in mind, I decided in high school that I wanted to be a police officer. To make this dream a reality, I graduated from high school and college, worked in Customer Service and Juvenile Probation, and graduated from the police academy. I really enjoy training new officers and riding the police motorcycle. Eventually, I would like to obtain my private pilot's license as that has been a dream of mine for many years. I am married and have one daughter and two dogs. When I am not at work, I like to spend time with my family and friends, travel, play computer games, work around my house, and ride my motorcycle.

"Do well in school. Say "No" to drugs. Listen to your parents. Treat others with respect. Do your very best all the time. Reach for the stars and follow your dreams. Don't let anyone hold you back!"
