SERGEANT KRISTIN LEE

I first began my interest in Law Enforcement when I took Criminal Justice classes in college. Then I worked as a Private Investigator for a retired Police Officer. He became my mentor and convinced me to pursue a career in Law Enforcement. For that I am very grateful because I enjoy being a Police Officer. Outside of being a Police Officer, I have a daughter who I spend a lot of time with. We enjoy going to the park, reading books, watching movies, visiting the zoo, and going swimming. My other passion is dancing. Since I was a little girl, dance has been an important part of my life.

LIFE TIP

#8

“Do not go with an adult who asks for your help. Adults should go to other adults if they need help.”

Throughout high school I was a member of the Spirit Squad dance team. After high school I continued to dance as a Warrior Girl for the NBA basket ball team, the Golden State Warriors. Being a part of both dance teams has given me confidence, teamwork ethics, and leadership skills. I have been able to apply all three of those things to my job as a Police Officer and it has helped me have a successful career.
