## OFFICER BRAD S. MILLS

I have been with the Atherton Police Department since 1990. I have served as a Field Training Officer, Acting Sergeant, and a Traffic Safety Officer assigned to Motors. My Motor training was an intensive 80 hour course covering all elements of riding from negotiating heavy stop-n-go traffic to high speed freeway conditions. The course also included hazardous environments such as sand, dirt, water and off-road terrain. When not at work I like to spend time with my family, working around the house, golfing and vacationing at Disneyland.

“Officers don’t like to give out tickets, but your safety is important, so remember to always wear your seat belt when you are riding in a vehicle.”
