COMM./RECORDS SUPERVISOR **JOHN MATTES**

After being discharged from the military I set my goal to join law enforcement. The best position I had was in the K-9 unit for 10 years. I have always had a German Shepherd since then. I enjoy time with my family, hanging out with my wife and her horses, training my German Shepherd Paska, gardening and going to the rifle range on my time off. I am married with four children, three boys and one girl. All are adults now with two still living at home.

LIFE TIP

“Until you accept total responsibility—no matter what—you will not be able to put plans in place to accomplish your goals.” This is a quote by David Cotrell. Set your goals high, work towards them every day and don’t let anyone tell you “You can’t do that.” As long as it is legal, moral and ethical “GO FOR IT.”
