

OFFICER DON DUNPHY

LIFE TIP

#12

I have been with the Atherton Police Department since 2001. I am currently working as a Patrol Officer in the streets of Atherton, helping to keep the community safe.

“Talk to your parents. They really are interested in what your interests are and how you feel. If you have a problem, they want to help. And remember, you can always count on a police officer or a teacher to help you as well.”

I am married and have three children – ages 23, 12 and 7.
