DISPATCHER NICOLE BONNEVIE

I began my dispatching career in 2006. After putting myself through the Basic Dispatch Academy, I knew I wanted to work in law enforcement. I have been with the Atherton Police Department since 2007. I learn something new every day. I am responsible for handling all business, non-emergency and emergency calls for service, as well as communicating with the officers over the radio. I started a new chapter in my life when I married in 2009. I love spending time with my husband, going to baseball and hockey games, camping and working out at self-defense classes. We live in Santa Clara with our kitty Puma.
