## OFFICER TONY DENNIS

I began my career as a Police Officer with the Town of Atherton in 1990. I have worked as a Recruit Training Officer at the local police academy where I assisted in training new recruits. I find the time and effort spent in this position was highly rewarding. I am happily married with two young children and enjoy spending time with my family and friends. During my time off, I enjoy watching baseball (Giants and Angels!), traveling and a relaxing day of fishing whenever possible. I believe it is important to remain healthy and keep fit with weight training and exercise.

## LIFE TIP

**#28**

"Don't let anyone say you can't accomplish your dreams. With determination and hard work, you can do anything you set your mind on."
