ATHERTON, CALIFORNIA 94027

January 8, 2021

Dear Congress Members and Senators,

As a Councilmember, a Mayor and an individual, I want to express my horror as I watched the attack on our nation's Capital yesterday, January 6, 2021. This unimaginable attempt to overthrow and disrupt our sacred government was viciously instigated and spurred on by President Donald Trump. It is clear to me that he is unfit to continue to hold the position of President of the United States for even one more day, let alone for the next 13 days.

I personally strongly urge you to do whatever it takes to remove him from the Office of the President and remove him from all Presidential powers for the safety of our Nation and its people.

My deepest sympathies go out to those who lost their lives during this attack and to all of you who experienced the violation of your private offices and personal spaces in the Capital. This invasion should never have happened and should never happen again.

With sincere and heartfelt admiration for all you do for our Country.

Elizabeth Lewis

Town of Atherton
