

# TOWN OF ATHERTON

CITY COUNCIL  
80 FAIR OAKS LANE  
ATHERTON, CALIFORNIA 94027  
(650) 752-0500

May 18, 2023

Congresswoman Eshoo  
House of Representatives  
Washington, D.C. 20515

**Subject: Upper Atherton Channel Flood Mitigation Project – Community Project**

Dear Congresswoman Eshoo:

On behalf of the Town of Atherton, I would like to express our thanks for your strong support for the Town of Atherton over the years.

You previously supported the Town's Alameda de Las Pulgas Safety Project as a Community Project Funding request. This project was successfully funded by the Appropriations Committee and soon the Town will realize the planning and design phase of the project.

Now, you are again supporting the Town with a Community Project Funding Request for the Upper Atherton Channel Flood Mitigation Project. While there is no guarantee of funding for any specific request, your support is important to the Town as we embark on community safety projects that benefit not only the Town and its residents but the community at large.

We are proud to have you as a community partner.

Sincerely,

Bill Widmer  
Mayor  
Town of Atherton
