Heritage Tree Ordinance Tree Protection Zone Staff Exception Request

DATE: _____

PROJECT ADDRESS: _____

• SUBMITTAL CHECKLIST

- Application for Heritage Tree Protection Zone Exemption and fee.
- Narrative stating why the exception is requested, what the impact to any Heritage trees would be and any identified mitigation.
- A plan showing location of the structure and the Heritage trees with size and species stated. Show TPZ zones from 5x to 10x on the plan.
- Project Arborist report – stating what the damage and mitigation would be.
- Any Trenching less than 10x the diameter (dbh) is required to be hand dug including exploratory Trenching if approved to trench closer than 10x.
- The percentage of Heritage tree roots to be cut.
- Any utility easements.
- Any supporting letters from Menlo Fire, PG&E and/or other utility providers.

• HOW STAFF WILL EVALUATE THE APPLICATION

Demonstrated compliance with any the following criteria, to the satisfaction of the Town Arborist:

- a. The utility location is required by a utility company and it cannot be moved. A confirmation in writing from the utility is required.
- b. If the species is tolerant of construction based on species, health, size and age from Mathilda and Clark tolerance chart.
- c. There are no roots over 2” diameter that need to be cut.
- d. Other criteria as may be required by the Town Arborist.

For reference, the Town of Atherton Municipal Code is available online: <http://www.codepublishing.com/CA/atherton.html>. The Heritage Tree Preservation Standards and Specifications document can be found here:
