Due to current State and County Health Orders, the following COVID-19 Rules for Play Apply:

- Operation of the facilities must be actively managed.
- Player Capital will have a coach/site monitor on site during court hours.
- Court access will only be available during the hours monitored. Hours are posted on the Court Reservations Website and are subject to change.
- Key holders must make reservations to play. Those without booked reservations will not be allowed on the courts.
- Courts may be reserved for Singles play, but doubles reservations must be cleared by Player Capital the night before to allow Player Capital to verify that players are from the same household (IDs, etc.).
- Singles players are required to use a different ball set for each server to differentiate between brands/ colors and maintain social distancing when players are not from the same household for singles play.
- Player Capital will wipe down all door handles and points of access to the facility at regular intervals.
- Tennis students will not be allowed to handle tennis balls or any equipment.
- Social distancing must be maintained at all times between Player Capital coaches and players, and singles players
