

Item No. 14 Town of Atherton

CITY COUNCIL STAFF REPORT – CONSENT AGENDA

TO: HONORABLE MAYOR AND CITY COUNCIL

FROM: GEORGE RODERICKS, CITY MANAGER

DATE: OCTOBER 20, 2021

SUBJECT: CERTIFICATION OF CONTINUING EMERGENCY; MAKE SUCH FINDINGS AS REQUIRED UNDER GOVERNMENT CODE SECTION 54953(E)(3); AND RATIFY SUCH RULES AND REGULATIONS ENACTED BY THE DIRECTOR OF EMERGENCY SERVICES IN RESPONSE TO COVID-19

RECOMMENDATION

It is recommended that the Council –

- 1) Certify the continuing emergency and ratify such rules and regulations enacted by the Director of Emergency Services in response to COVID-19; and
- 2) Make such findings as required under Government Code Section 54953(e)(3) in order to meet remotely to ensure the continued health and safety of the public.

BACKGROUND | ANALYSIS

The City Council last met on July 21, 2021 and certified the continuing emergency and ratified such rules and regulations enacted by the Director of Emergency Services in response to COVID-19. On October 6, the City Council adopted a Resolution pursuant to AB 361 (Government Code Section 54953(e)(3)) and made such findings as required to hold meetings remotely in order to ensure the health and safety of the public.

Staff recommends continuation of the Certification of Continuing Emergency until such time as the State lifts its Emergency Declaration. Maintaining the local certification will ensure that any actions that the Town takes in response to a local COVID-19 Outbreak (organization or community) qualify for financial reimbursement under State OES and FEMA guidance.

AB 361 (Government Code Section 54953(e)(3))

In order to continue to meet remotely, the City Council must make/confirm the following findings:

- The Town remains under a local state of emergency. (CONFIRMED)

- County Health Orders require that all individuals in public spaces maintain social distancing and wear face coverings. (CONFIRMED)
- The Town would have a significant challenge in attempting to maintain social distancing requirements for the public, staff, Council Members, Committee and Commissioners in our current available meeting spaces. (CONFIRMED)

Vaccination Requirements for Staff and Contract Personnel

All vaccinated employees and contract personnel (building, planning, public works, etc.) must provide proof of vaccination status. In the case of contract personnel, that can be provided directly to the Town or via certification from the contractor. If the individual cannot provide proof of vaccination (in any acceptable form) the individual will be treated as non-vaccinated.

All individuals entering public facilities and in shared public vehicles are required to wear face coverings indoors regardless of vaccination status. This applies to public, employees and contract personnel alike. Individual office spaces, singular vehicles, and individual spaces are exempt.

All non-vaccinated employees and contract personnel, including those "treated" as non-vaccinated, are required to provide proof of a negative COVID-19 test every 10 days.

FISCAL IMPACT

The Certification of Continuing Emergency will continue until such time as the State has lifted its emergency status. The Town is required to make the AB 361 findings every 30 days in order to continue to meet remotely. It is anticipated that there will be sufficient social distancing spacing and the ability to provide remote meeting capabilities once the Town is able to utilize its new facilities in the Town Center. Until that time, staff will return this Certification and Findings Report to the City Council each month at the Regular Meeting for adoption.

POLICY FOCUS

Policy issues are limited to the continuing emergency.

GOAL ALIGNMENT

This report and its contents are in alignment with the following Council Policy Goals:

- Goal F – Be Forward-Thinking, Well-Managed, and Well-Planned
- Goal G – Emergency Preparedness – Be Prepared

PUBLIC NOTICE

Public notification was achieved by posting the agenda, with this agenda item being listed, at least 72 hours prior to the meeting in print and electronically. Information about the project is also disseminated via the Town's electronic News Flash and Atherton Online. There are approximately 1,200 subscribers to the Town's electronic News Flash publications. Subscribers include residents

as well as stakeholders – to include, but be not limited to, media outlets, school districts, Menlo Park Fire District, service providers (water, power, and sewer), and regional elected officials.
